The English Tense System The links below are to lessons for each of the 12 basic English tenses*. For each tense we look at: Structure: How do we make the tense? Use: When and why do we use the tense? Some lessons look at additional matters, and most of them finish with a quiz to check your understanding. Many English learners worry too much about tense. If you stopped 100 native English speakers in the street and asked them about tense, 1 of them might give you an intelligent answer - if you were lucky. The other 99 would know little about terms like "past perfect" or "present continuous". And they would know nothing about aspect, voice or mood. But they can all speak fluent English and communicate effectively. Of course, for ESL it helps to know about tenses, but don't become obsessed with them. Be like those native speakers! Speak naturally! *Some grammarians consider that strictly-speaking there are only two English tenses. Others argue six or other quantities. For the sake of simplicity. Learners of English as a Foreign or Second Language are usually taught that - taking into account aspect and future modals - there are 12 tenses in English. Verb tenses are verb forms (went, go, will go) which English speakers use to talk about the past, present, and future in their language. There are twelve verb tense forms in English as well as other time expressions such as used to. For English learners, knowing how to use English tenses can be quite a challenge. Never fear. Englishpage.com's verb tense tutorial will teach you to think like a native speaker. Let's get started! Look at the verb tense chart above. Do you see how it is arranged? It tells you a lot about how English speakers understand time. There are four present tenses, four past tenses, and four future tenses. There are also three simple tenses, three continuous tenses, three perfect tenses and three perfect continuous tenses. These groupings can help you learn how English verb tenses are used. For example, all simple tenses have similar uses. Perfect tenses also behave in the same way. Keep this in mind while reading our verb tense descriptions. Did you also notice that present tenses and past tenses only have one form whereas future tenses have two forms? Our native language changes the way we think about time. It also changes the way we use verb tenses. For example, Germans often make mistakes with present perfect. Why? Because it looks like a tense in German, which is NOT the same. For this reason, you have to learn to think like an English speaker. You must learn how we see time. Our in-depth verb tense descriptions will help you. Make sure you understand the details. Do you know how non-continuous and mixed verbs change tense usage? If not, read those pages again. It is also good to know active and passive verb forms well. You don't want to have to stop in the middle of a sentence to think about forms. You should also take some time to learn the large number of English irregular verbs. Don't worry. It's easy with our irregular verb flashcards! How many verb tenses are there? The answer depends on who you ask. Linguists say English has three tenses: past, present and future. They call simple, continuous, perfect and perfect continuous "aspects" of each tense. People who teach English as a foreign language say English has 12 tenses (simple present, present continuous, etc.) In addition to the 12 tenses, there are extra forms (used to, would always, and future in the past) which are used to express time in English. Here at Englishpage.com, we describe 15 verb forms. What are the most common verb tense mistakes? The most common mistake English learners make is to use simple present to talk about things that are happening now. With most verbs, that's wrong. Present continuous should be used. Another big mistake is using present perfect with set times such as last week. That is not correct in English. And most English learners have problems with will and be going to. Again, don't worry. All of these tenses are clearly explained in this tutorial. What sources should I use to study tenses? First, start with this Verb Tense Tutorial. You need to know the rules well. Next, watch TV and movies in English. You should watch shows with lots of dialogue. Comedies and dramas are best. You need to find programs with natural language. Many teachers use shows like Friends or The Big Bang Theory in class. You also need to read. Again, it is best to read books with lots of conversation. Take time to look at the details. Do you understand why each tense is used? Where can I see examples of all the verb tense forms? Each page in this tutorial has a Forms section with a link to a Complete List of Forms. That list shows examples of all forms for that tense. Here is the complete list of simple present forms. Learn English at Englishpage.com! Index of contents Video: English verb tenses Index of contents Video: English verb tenses Verb tenses are English speakers' tools to express their time in English. The present tense describes an action that takes place right now. The past verb's tense refers to an action that took place previously. The future verb's tense refers to an event that will occur. The Verb Tenses worksheets are for students at the beginning, intermediate and advanced levels. The Verb Tenses worksheets are completely free to download in PDF format. You may use these worksheets for verb tenses practice at home or in school. Understanding verb tenses can aid your students in understanding the ways that other languages work - knowing how the various verb tenses function will enable students to understand the principle English grammar. I hope that these Free verb tenses worksheets will assist you in achieving your goals. Verb Tenses Worksheets Syllabus Below, you'll find free printable worksheets for mastering verb tenses. With these worksheets, kids will learn to recognize the all verb tenses of English grammar depending on how it's exercised in a particular sentence. The 12 verb tenses include Simple Past, Simple Present, Simple Future, Present Continuous, Past Continuous, Future Continuous, Present Perfect, Past Perfect, Future Perfect, Present Perfect Continuous, Past Perfect Continuous and Future Perfect Continuous. 12 Verb Tenses Worksheets Print Preview If you really enjoyed "12 Verb Tenses Worksheets", then I will be very thankful if you'd help it spread by emailing it to your friends, or sharing it on Twitter, Instagram, Pinterest or Facebook. Thank you! Explore full list of words that start with A to Z! There are two principal past tenses used to make general statements about the past: The past simple and the past continuous. The two tenses are quite different. Use the past simple to talk about an event which happened at some point in time in the past. Tom flew to Chicago last week. Peter visited his friends in Florida two months ago. If you are a teacher, use this guide on how to teach the past simple tense for more help. The past continuous is usually used to refer to events happening at the same time that something important happened in the past. They were doing their homework when she arrived. Jack was studying while Dave was cooking dinner. The past continuous is also used to express what was happening at a precise moment in the past. I was attending a lecture at 2.30 yesterday afternoon. Alice was reading a book at six yesterday evening. If you are a teacher, use this guide on how to teach the past continuous tense for more help. Positive Subject + Verb + ed OR Irregular Past Form + Objects I, You, He, She, We, They > played golf yesterday afternoon. I, You, He, She, We, They > went lunch at noon. Negative Subject + did not (didn't) + Verb + Objects I, You, He, She, We, They > didn't go on vacation last summer. Subject + did not (doesn't) + Verb + Objects Questions (Why, What, etc.) + did + Subject + Verb + Objects? Did > I, you, we, they > attend the meeting last week? Positive Subject + conjugate the helping verb "be" + verb + -ing. I was, You were, He was, She was, We were, You were, They were > watching TV when I arrived. Negative Subject + conjugate the helping verb "be" + not + verb + -ing. I wasn't, You weren't, He wasn't, She wasn't, We weren't, You weren't, They weren't > working when he came into the room. Questions Question word + conjugate the helping verb 'be' + subject + verb + -ing What > were you, they > doing at seven o'clock? What > was I, he, she > doing at seven o'clock? These guides were prepared especially for beginners and include dialogues and a short quiz. Some activities that will help you practice: "What a comprehensive site! I especially like your verb tenses worksheets. They allow my students to really practice all the many variations. Thanks very much for your help." - Lilliana V., Distrito Federal, Mexico, 10/28/11 Like these materials? Show your support by liking us on Facebook... Aren't verb tenses wonderful? No? Well, okay. Maybe not. But while they may not exactly be wonderful, they are certainly useful. After all, research tells us that studying verb tenses is a great way to learn the fundamental aspects of language. For example, take the English verb, "to be." Almost ubiquitous in our language, this verb is very simple yet very useful. That's why we start with this verb in the list of worksheets on this page - we know how useful it is to beginning learners. And learners of English as a Second Language (ESL) may find these worksheets especially helpful. But that's not to say that our worksheets are only for beginners. Even experts can learn something from them. Hey experts! Do you know the past participle form of drink? "I have drunk a lot of water today." Or what about the simple past tense form of the verb, cost? "My shoes cost \$65." Yes, that's right, it doesn't change! And hey, and let's not forget about that pesky subjunctive mood. If I were you, I would study with English for Everyone! :) On this page you'll find our complete list of printable verb tenses worksheets. The worksheets you will find in these sections include explanations and examples of the three aspects (simple, progressive, and perfect) of the past, present, and future English tenses. On our verb tenses worksheets, practice involves filling in the blanks and rewriting sentences in the specified aspect and tense. This enables students not only to enhance their knowledge of the various verb tense forms, but also to articulate more complex actions and ideas. Also, please note that these worksheets have yet to be refined and tested in the classroom. While we believe them to be of the highest quality, minor errors may still exist. We greatly appreciate you taking time to inform us of any perceived errors by email at englishforeveryone.org@gmail.com. ♦ COPYRIGHT NOTICE: The below publications contain copyrighted work to be used by teachers in school or at home.
